

2008 MWA Southern Minnesota Classic

Stable Reservation Form

We are expecting a lot of horses (which is a good thing) but our box stalls are limited. So we need your help and cooperation to accomodate everyone. Stalls MUST be reserved 7 days in advance of the show date. If you need a stall after the week prior to the show then you have to call Dena Plendl at 712-540-9596 to check on availability. Stalls are reserved in the order that payment is received. Any person that is showing for 1 day must use a tie stall. No showing

All Stalls are \$55 and include 1 bag of shavings. Arrival date is Friday. Make arrangements for early arrival.

If you need a tack stall the cost is still \$55 and includes a bag of shavings. This is so much easier for us and you can use the extra bag of shavings as you like.

Early Bird Box Stall Discount (\$45) if payment is received prior to June 2, 2008.

No EXCEPTIONS! If you pay after 6/2/08 - the cost is \$55!

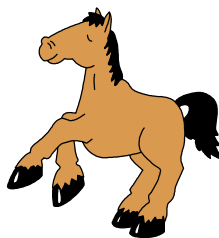

One Day Tie-Stall is \$12.00 and includes NO Shavings.

Camping is on a first come first serve basis. To date there has been enough room to accomodate everyone if we stay organized in the camping area. Cost is \$ \$20 per day for camping. If you are in a tent please stay out of the camping area so that other s can plug in. Tents and hammocks are free and there is room at the end of the camping area.

So with all that in mind.... how many stalls would you like?
