

# 2007 MWA Southern Minnesota Classic

## Stable Reservation Form

We are expecting a lot of horses (which is a good thing) but our stalls are limited. So we need your help and cooperation to accomodate everyone. If we go over our stall limit, then we will be bringing in portable stalls and we will need to know in advance how many to obtain. Stalls MUST be reserved 7 days in advance of the show date. If you need a stall after the week prior to the show then you have to call Dena Plendl at 712-540-9596 to check on availability. Stalls are reserved in the order that payment is received.

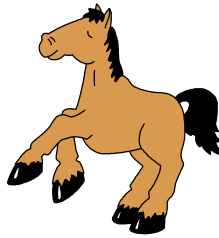

Stalls are \$50 and include 1 bag of shavings.

Tack stalls are \$45 and include NO shavings.

Early Bird Stall Discount (\$45) if payment is received prior to June 2, 2007.

No EXCEPTIONS! If you pay after 6/2/07 - the cost is \$50.

**So with all that in mind.... how many stalls would you like?**

Shavings are \$6.00 per bag if bought at the show. You can bring your own if you like.
